IV INTERNATIONAL OLYMPIAD FOR STUDENTS OF MEDICAL UNIVERSITIES “SAMARKAND – 2020”

DEAR COLLEAGUES AND STUDENTS!

We invite you to take part in the IV International Olympiad for Medical Universities “**Samarkand-2020**”, which will take place on December 15-16, 2023.

The goal of the Olympiad “**Samarkand-2020**” is to popularize knowledge in the field of various areas of medicine and basic sciences, as well as to increase students’ interest in educational activities and science; in addition, create opportunities for students to demonstrate scientific and creative potential.

Tasks of the Olympiad:

1. Determine and identify gifted students, contribute to their development;
2. Increase the level of students’ knowledge in medical disciplines;
3. Formation of students’ skills and abilities in practical medicine;
4. Use by students of acquired knowledge, skills and abilities in the analysis of clinical cases;
5. Introducing students of medical universities to the heritage of world and national medicine for the benefit of people.

Olympiad languages: Uzbek, Russian and English.

Grand opening of the Olympiad “**Samarkand-2020**”: December 15, 2023 at 10:00.

THE OLYMPIAD WILL BE HELD IN THE FOLLOWING 38 MEDICAL FUNDAMENTAL AND CLINICAL DISCIPLINES:

FUNDAMENTAL DISCIPLINES

- ✚ Human anatomy
- ✚ Operative surgery and topographical anatomy
- ✚ Physiology
- ✚ Pathological physiology
- ✚ Pathological anatomy
- ✚ Forensic Medicine
- ✚ The Latin language and medical terminology
- ✚ Medical biology
- ✚ Histology, pathology and embryology
- ✚ Microbiology
- ✚ Medical chemistry
- ✚ Biological chemistry
- ✚ Pharmacology
- ✚ History of medicine, bioethics

Student Scientific Society

CLINICAL DISCIPLINES

- + Surgery
- + Neurosurgery
- + Pediatric surgery
- + Traumatology and orthopedics
- + Anesthesiology and resuscitation
- + Internal diseases
- + Propaedeutics of internal diseases
- + Infectious diseases
- + Neurology
- + Urology
- + Radiology
- + Oncology
- + Ophthalmology
- + Rehabilitation, sports medicine and traditional medicine
- + Pediatrics
- + Propaedeutics of children diseases
- + Obstetrics and gynecology
- + Therapeutic dentistry
- + Orthopedic dentistry
- + Oral dentistry and maxillofacial surgery
- + Pediatric dentistry
- + Otorhinolaryngology
- + Clinical laboratory diagnostics
- + Skin and venereal diseases

RULES OF PARTICIPATION

Students of medical universities are invited to participate in the Olympiad, in accordance with the field of education and year of study.

One participant can choose only one academic discipline. From each university, 10 students can participate in 10 different disciplines and one student is able to take part in the competition of scientific projects of young scientists.

The Olympiad will consist of the following 4 competitions:

1. Greetings from the university team (video);
2. Competition of scientific projects of young scientists;
3. Competitions in 38 subject areas.

The Olympiad is held in offline/online format.

4. Competition of professional skills (this competition is for students studying in the 3rd year of medical colleges of the Republic of Uzbekistan. 3 students are required from each institution). This competition includes: 1-performing practical skills (2 students), 2-presenting a scientific report (1 student). It is necessary to approve the application for the competition by the director of the college and send it to the coordinator before December 1, 2023 (+998996660032 Abdullaev Afzal Sarkhadovich).

Student Scientific Society

1. "Team Greeting"

In the video, the Team demonstrates a presentation of their university and city.

Time limit: 5 minutes. The video in .mp4 or .wmv format must be sent to the e-mail videosamarkand.2020@gmail.com before December 1, 2023 (file name: Team greeting - name of the university).

The number of university participants is not limited: 1 video from each university

2. "Competition of scientific projects of young scientists"

Form of participation in the competition: presentation of a report in person demonstrating the results of their research work.

Reports must be prepared in MS PowerPoint and sent before December 1, 2023 to the e-mail sprojectsamarkand2020@gmail.com (file name: "Scientific project - full name of the participant")

Time limit: up to 5 minutes.

The number of participants is limited: 1 participant is regulated from each university.

Form of participation: offline

Competition coordinator – Sherbekova Yulduz Zokirovna (+998979295506 Telegram, WhatsApp).

3. Competitions in subject areas

Conditions for online participation

I - stage

- Testing (time: from 13:00 to 13:30).

Number of questions: 30

Time limit: 30 minutes

A student who scores less than 70 points (maximum 100 points) does not advance to the next round.

II – stage

- Oral survey (time: from 14:00 to 17:00).

Maximum score: 100 points

1. Question on the discipline (1 question), maximum number of points: 25 points;

2. Solving situational problems (1 task), maximum number of points: 25 points;

3. Score for performing practical skills (1 practical skill), maximum number of points: 50 points

The sum of the first round and the second round is the result of the points scored

Maximum score: 200 points. Participants in this type of Olympiad (online) will receive separate places of honor and certificates for participation.

The number of participants is not limited. There is no team competition in this category, only individual participation.

Student Scientific Society

To participate online in the Olympiad, you must register on the website <https://olymp.sammu.uz> before December 1, 2023.

Conditions for offline participation

I - stage

- Testing (time: from 13:00 to 14:00).

Number of questions: 30

Time limit: 30 minutes

II – stage

- Oral survey (time: from 14:00 to 17:00).

Maximum score: 100 points

1. Question on discipline (1 question), maximum number of points: 25 points;

2. Solving situational problems (1 task), maximum number points: 25 points;

3. Assessment for performing practical skills (1 practical skill), maximum number of points: 50 points.

The sum of the first round and the second round is the result of the points scored

Maximum score: 200 points. The number of participants is limited:

Each university is limited to 10 participants, and each participant can participate in only one subject and only in an offline format. Participants in this type of the Olympiad (offline) will receive separate places of honor and certificates for participation.

This category provides for a team competition (winners and prize-winners of the Olympiad will be determined by the total number of points scored)

Summarizing.

The participants' answers will be evaluated by a team of international judges.

The winners of the Olympiad will be awarded with diplomas, and the participants will be awarded with Olympiad certificates.

The winners will be awarded on December 16 at 14:00 at the closing of the IV International Olympiad “Samarkand-2020”.

The list of participants of the Olympiad and the accompanying leader, approved by the Vice-Rector for Science, will be provided by email to the Olympiad. The manager must send information about the participants (*Appendix № 1*) along with the list to the e-mail olympiadsamarkand@gmail.com before December 1, 2023.

Student Scientific Society

Additional information, the Olympiad program, contact numbers and e-mails of those responsible for the Olympiad disciplines will be posted on the official website <https://olymp.sammu.uz> and <https://sammu.uz>

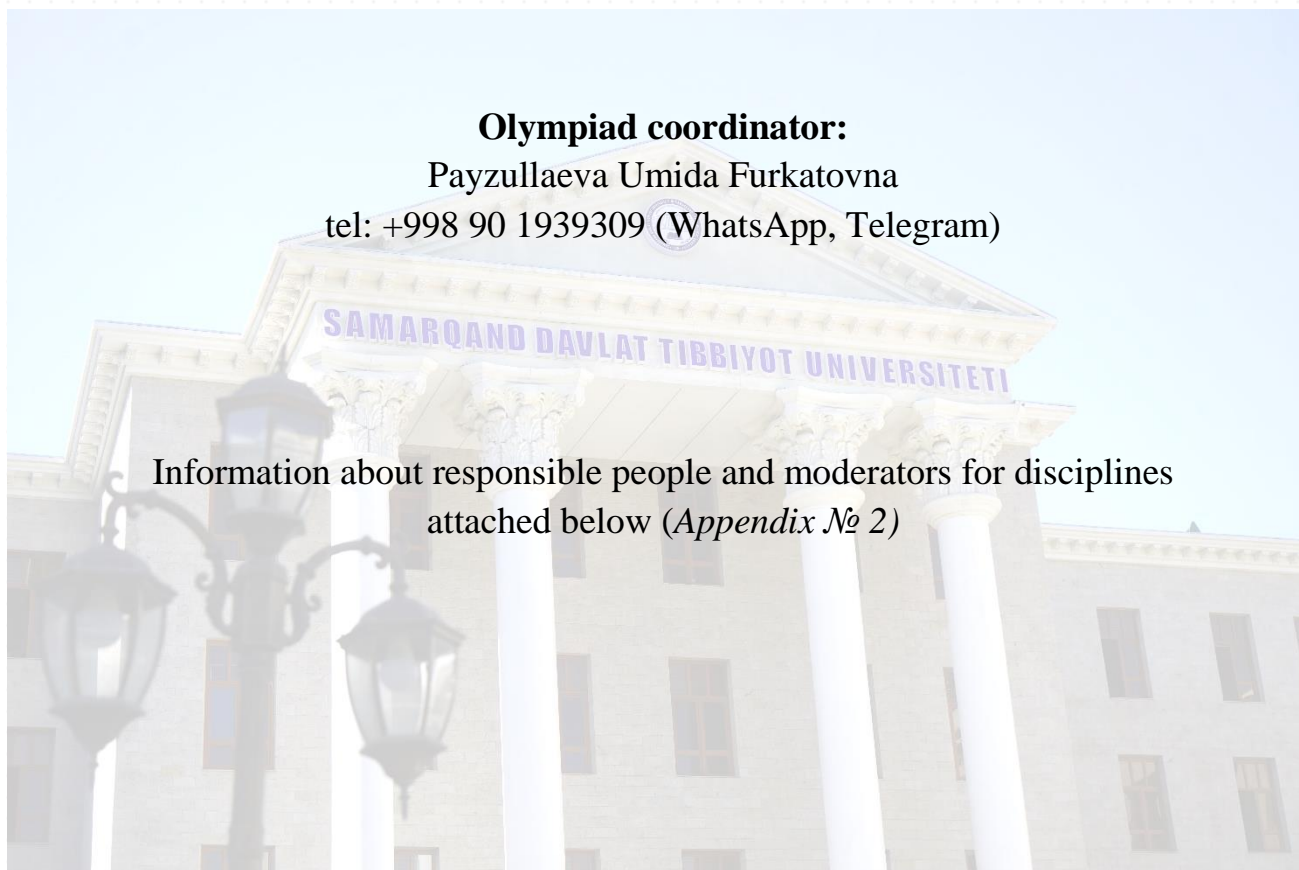

WE INVITE CREATIVE, SOCIABLE YOUNG PEOPLE TO TAKE AN ACTIVE PARTICIPATION IN THE OLYMPIAD "SAMARKAND-2020"

Olympiad coordinator:
